Dear Prospective Business Owner,

I would like to welcome you to Mokena's business community, and thank you for considering bringing your business to Mokena.

We would like to make the relocation of your business to Mokena as smooth as possible, so we have assembled this packet of information to assist you. Inside you will find:

- **A Guide to Conducting Business in Mokena:** This booklet outlines the benefits of locating your business in Mokena, how to navigate the Business License Application process, information regarding building permits, and more.
- **Business License & Occupancy Inspection Procedures for New or Relocating Business:** This form is a checklist for obtaining your Business License and Occupancy.
- General Business License Application
- Online Business Directory Registration Form
- Business License & Occupancy Questionnaire
- Home Occupancy Description Form

All businesses located within the corporate limits are required to obtain a Business License, per Village ordinance. There are many benefits to having a Business License: your business is listed on our website, you have exclusive access to our Discover Mokena program, and your business can be announced at Village Board meetings in our Category Spotlight.

If you have any questions regarding this process, please do not hesitate to contact the Community Development Department at (708) 479-3930. We look forward to working with you, as your business helps enrich Mokena.

Sincerely,

Alan Zordan, AICP
Economic and Community Development Director

Business License & Occupancy Inspection Procedures for New or Relocating Businesses

Thank you for bringing your business to Mokena. Below you will find the procedures for a New Business moving into an existing building, or an Existing Business relocating to another building. Attached, you will find the Business License Applications. Return all paperwork to the Community Development department. Missing information may delay the approval of your application. For more information, or if you have any questions, please contact Community Development at (708) 479-3930.

Initial each item, sign at the bottom, and return with all applications.

- _____ 1. Verify that the proposed business is a permitted use within the Village.
- _____ 2. Complete & submit the following:
 - Business License Application
 - Copy of the first page and signature page of your Lease
 - Fee of \$36.00
- _____ 3. Complete and submit all applications for companion licenses with appropriate fees (i.e. Amusement Devices, Food, Gasoline Pumps, Liquor, Tobacco, Massage, etc.) if applicable.
- _____ 4. Permits are required for any Interior Remodeling (electrical, plumbing, mechanical, and demolition work) prior to any work being started.
For information about permit requirements and/or scheduling inspections, please contact Community Development.
- _____ 5. Lighting around window/door perimeters (neon "edge" or any other type of lighting) is strictly prohibited. Any forms of edge lighting must be removed prior to scheduling an occupancy inspection.
- _____ 6. A Business Occupancy Inspection is required for **all** businesses. A **separate** check for \$75.00 for the Occupancy must be submitted along with the Business License Application.
 - The Occupancy Inspection is scheduled once the Business License Application is reviewed, all Remodeling Permits have been issued, and all other inspections are completed.
 - **It is the responsibility of the Business Owner to call & schedule the Occupancy Inspection with the Community Development Department.**
 - The Occupancy Certificate will be issued upon approval of all pertinent parties (Fire Department, Health Department, and Village of Mokena)
- _____ 7. The Business License, and any companion licenses, will be processed and issued when the Occupancy Inspection has been completed and approved by the Building Department, Fire Department, and Health Department (where applicable).
- _____ 8. Any new, temporary promotional, or replacement signs will need a separate Sign Permit. All Sign Permits must be submitted with appropriate drawings, and approved prior to the placement of any signs.

HOME OCCUPATIONS

9-14-5 Home Occupations.

In addition to conforming to the general regulations for accessory uses and structures set forth in Section 9-14-1 above, all home occupations shall comply with each of the following requirements:

- A. The operator of every home occupation shall reside in the dwelling unit in which the home occupation operates;
- B. The home occupation shall be conducted entirely within the principal residential structure and shall be incidental and subordinate to the principal residential use of the structure. Furthermore, no work shall be conducted within any attached or detached garage. Limited storage may be allowed in any attached or detached garage provided, such storage does not create a nuisance or prevents the utilization of the garage for parking motor vehicles.
- C. The home occupation shall not interfere with the delivery of utilities or other services to the neighborhood in which the principal residential structure is located;
- D. The activity shall not generate any noise, vibrations, smoke, dust, odors, heat, glare, or interfere with radio or television reception in the area that would exceed that normally produced by a dwelling unit used solely for residential purposes;
- E. No toxic, explosive, flammable, radioactive, or other hazardous materials shall be used, sold, or stored on the site. However, materials common to ordinary household use are permitted, provided the quantity of such materials does not exceed that found in an ordinary household;
- F. Alteration of the residential appearance of the principal residential structure designed to promote or draw attention to the home occupation shall not be permitted. Furthermore, no advertising, signs, displays, or other indications of a home occupation in the yard, on the exterior of the dwelling unit, or visible from anywhere outside of the dwelling unit shall be permitted;
- G. No more than one motor vehicle shall be used in connection with a home occupation. The home occupation vehicle must be of a type ordinarily used for conventional private passenger transportation, (i.e., passenger automobile, or vans and pickup trucks not exceeding a payload capacity of one (1) ton). Further, the home occupation vehicle shall not require more than a passenger class driver's license nor be a vehicle designed for carrying more than twelve persons. Vehicles designed or used for living quarters shall not be used in conjunction with a home occupation;
- H. No visitors in conjunction with the home occupation (clients, patrons, pupils, sales persons, etc.) shall be permitted between the hours of 9:00 p.m. and 6:00 a.m., and the home occupation shall not cause a significant increase in the amount of traffic or parking on any residential street. Furthermore, deliveries for the home occupation shall not restrict traffic circulation and may only occur between 9:00 a.m. and 5:00 p.m. Monday through Friday;
- I. No outdoor display or storage of materials, goods, supplies, or equipment shall be permitted on the premises;
- J. In person direct sales or rentals of products are not permitted, however, mail or phone sales shall be considered a permitted home occupation;
- K. The total interior floor area used for the home occupation shall not exceed twenty percent of the total interior floor area of the dwelling, provided that in no case shall the area of a home occupation exceed three hundred square feet;
- L. No person may be employed on the site in connection with the home occupation who is not an actual resident of the dwelling unit; and
- M. More than one home occupation may be permitted within an individual dwelling unit, provided all other standards and criteria applicable to home occupations are complied with. Such criteria shall be applied cumulatively to both uses as opposed to singularly to each use.
